Organizing committee of the 12th INTERNATIONAL LANDSCAPE CONFERENCE  
«Landscape-ecological support for rational nature management and sustainable development»  
welcomes all researchers and experts who have become interested in our action.

### CONFERENCE TOPICS:

1. Theory and methodology of landscape science (landscape ecology).
2. Methods and models in landscape research.
3. Landscape and landscape-ecological mapping.
4. Regional regularities of structure, dynamics and functioning of geographical landscapes.
5. Landscape geochemistry and landscape geophysics.
6. Evolutionary landscape science.
7. Anthropogenic landscapes and land use dynamics.
8. Values, functions, sustainability of landscapes: ecosystem and landscape services.
9. Landscape and territorial planning: multifunctional nature management based on landscape-ecological approach.
10. Landscape and ecological support for nature conservation (to 100<sup>th</sup> Anniversary of the Russian system of protected areas).
11. Recreational landscapes and sustainable tourism.
12. Landscapes of oil-and-gas regions and landscape-ecological support for hydrocarbons production and transportation.
13. Landscape-hydrological studies.
14. Cultural landscapes: landscape in culture and culture in landscape.
15. Historical landscape geography and ecology.
16. Perspectives of landscape politics and landscape management. International landscape centers.
17. Physical-geographical and landscape-ecological education.

Thematic *round tables* will be organized to discuss urgent problems of ecological development of Russia. Researchers, managers, stakeholders, politicians, businessmen are welcome to participate.

**Working languages of the Conference are Russian and English.**

### FRAMEWORK PROGRAMME OF THE CONFERENCE

- 21.08.2017 – Day of arrival (registration, sightseeing tour, welcome evening).  
22.08.2017 – Opening of the conference, plenary lectures, work of sections, round tables.  
23.08.2017 – Plenary lectures, work of sections, round tables.  
24.08.2017 – Excursion, organizational meeting of the Russian chapter of the International Association for Landscape Ecology (IALE).  
25.08.2017 – Plenary lectures, summing up, closing of the conference.  
26.08.2017 – 27.08.2017 – Excursions.

### DEADLINES

- 015.04.2017** – Deadline for registration forms and Visa request.  
**01.06.2017** – Deadline for submitting abstracts.  
**01.07.2017** – Deadline for payment of an admission fee, hotel booking.

### REGISTRATION FEE

A payment of transportation, accommodation and food is for an expense of participants. An arrangement fee includes expenses for publication of conference materials, submitting materials to the Russian Index of Scientific Citing (RISC), participant's bag, coffee breaks. The registration fee is 1,500 rubles (30 USD) if you pay until 01.07.2017 and 2,000 rubles (40 USD) if you pay after 01.07.2017. Arrangement fee for students, postgraduate students and young scientists (up to 35 years old) is 500 rubles (15 USD).

Registration fee can be paid at the registration desk. Participation in the Conference is free for the Honorary members of the Russian Geographical Society, members of Organizing Committee and Program Committee of the Conference, lecturers of the International Summer School. Excursions are paid additionally.

### EXCURSIONS

1. Landscape of Tyumen, the first Siberian city; thermal sources.
2. National Park «Pripyshminskiye pine forests», visiting the historical border between the Urals and Siberia, visiting Tyumen State University field base «Lukashino».
3. Tobolsk is the ancient capital of Siberia, Alexander von Humboldt guessed that Tobolsk is one of seven the most world's picturesque city (including the Museum of Grigori Rasputin in Pokrovskoye village and Tobolsk biological station of the Russian Academy of Sciences – the former Nizhneirtyshsky permanent establishment of V.B. Sochava Institute of Geography in settlement Missiya) – after the Conference.

### REGISTRATION FORM OF THE CONFERENCE

1. Full Name, Age.....
2. Institution.....
3. Address.....
4. Scientific Degree, Academic Rank, Position.....
5. Contact phone and E-mail .....
6. Supposed scientific topic in the program .....
7. Supposed title of presentation or poster.....
8. Preferred form of participation: oral presentation or poster .....

**Request** to send the application for participation in work of the conference in the form of the filled registration form to the e-mail address: [landscapeconference2017@gmail.com](mailto:landscapeconference2017@gmail.com).

### REQUIREMENTS TO REGISTRATION OF MATERIALS

Prepared for publication materials are sent in Russian or English. Common volume of text including figures and references is to six pages of A4 format (no more 10,000 signs without empty spaces). All margins are 25 mm. Font is Times New Roman, paper size is 14 pt, and space is 1.5.

In the centre of the first line the author (First Name, Patronimic Name, Last Name), the second one is full name of the place of work, the third is the city and the country, the fourth one is the E-mail of the author (authors), the fifth one is the name of the report (non capital letters, bold print) is specified. An empty line.

Identical information about authors, the organization and the report in English.

Abstract in English (two hundred words as a minimum), italic type.

References in the text in square brackets [author, year]. Resolution of illustrations is not less than 300 dpi, illustrations are sent in a separate file in TIFF, JPG, or PNG format (the name of the figure is at the end of the text). The list of references is after the text in alphabetical order; sources in Russian are high on the list.

The organizing committee reserves the right to reject the provided materials.

*The second information letter containing bank details for payment of a contribution, detailed information on accommodation in Tyumen, the cost and dates of excursions will be provided on the conference website in April 2017.*

## **ORGANIZING COMMITTEE OF THE CONFERENCE**

- Chairman – Falkov Valery Nikolayevich, Rector, Tyumen State University (TSU).  
Deputy Chairman – Golubev Yevgeny Viktorovich, the Vice Rector for Interaction with Industrial Partners, TSU.  
Deputy Chairman – Kasimov Nikolay Sergeyeovich, Academician of the Russian Academy of Sciences, the First Vice President of the Russian Geographical Society, President of the Faculty of Geography, Lomonosov Moscow State University (LMSU).  
Deputy Chairman – Fürst Christine, President of the International Association for Landscape Ecology, Professor, Martin Luther University Halle-Wittenberg, Germany.  
Deputy Chairman – Khoroshavin Vitalii Yurievich, Director of the Institute of Earth Sciences, TSU.  
Executive Director – Marinskikh Dmitry Mikhaylovich, Associate Professor of the Department of Physical Geography and Ecology, TSU.  
Secretary – Efimenko Maria Georgievna, TSU.

## **MEMBERS OF THE ORGANIZING COMMITTEE:**

- Bastian Olaf, Professor, Nature conservation authority, capital city of Dresden, Germany.  
Bulatov Valery Ivanovich, Professor, Yugra State University.  
Chibilev Aleksandr Aleksandrovich, Academician of the Russian Academy of Sciences, Vice-President of the Russian Geographical Society, Director of Steppe Institute of the Russian Academy of Sciences.  
Chernykh Dmitry Vladimirovich, Leading Researcher, the Institute for Water and Environmental Problems of Siberian Branch of the Russian Academy of Sciences.  
Idrisov Ildar Rustamovich, Head of the Department of Cartography and GIS, TSU.  
Jerebiatieva Natalia Vladimirovna, Head of the Department of Physical Geography and Ecology, TSU.  
Kiprina Elena Nikolaevna, Associate Professor of the Department of Service, Tourism and Hospitality Industry, TSU.  
Larin Sergey Ivanovich, Head of the Department of Geoecology, TSU.  
Marshinin Aleksandr Vladimirovich, Associate Professor of the Department of Socio-Economical Geography and Environmental Management, TSU.  
Semenov Yury Mikhaylovich, Professor, Chief Researcher, V.B. Sochava Institute of Geography, Siberian Branch of the Russian Academy of Sciences.  
Sudarenkov Valery Vasilievich, the plenipotentiary of Russia in the Parliamentary Assembly of the Council of Europe on a problem of «Conservation and use of the landscape potential of Russia».  
Tishkov Arkady Aleksandrovich, Corresponding Member of the Russian Academy of Sciences, Deputy Director of the Institute of Geography, Russian Academy of Sciences.  
Vinokurov Yury Ivanovich, Professor, Chief Researcher, the Institute for Water and Environmental Problems of Siberian Branch of the Russian Academy of Sciences.  
Voinov Aleksey Arkadievich, Professor, University of Twente, the Netherlands.

## **PROGRAMME COMMITTEE:**

- Dyakonov Kirill Nikolayevich, Corresponding Member of the Russian Academy of Sciences, LMSU, Faculty of Geography, Chairman.  
Merekalova Ksenia Alekseyevna, Researcher, LMSU, Faculty of Geography, Secretary.  
Kozin Vasily Vasilievich, Professor, TSU.  
Kozlov Daniil Nikolayevich, Deputy Director, V.V. Dokuchaev Institute of Soil, Russian Academy of Sciences.  
Linnik Vitaly Grigorievich, Chief Researcher, Vernadsky Institute of Geochemistry and Analytical Chemistry of the Russian Academy of Sciences.  
Marinskikh Dmitry Mikhaylovich, Associate Professor, TSU.  
Mukhin Gennady Dmitriyevich, Leading Researcher, LMSU, Faculty of Geography.  
Nizovtsev Viacheslav Alekseyevich, Leading Researcher, LMSU, Faculty of Geography.  
Snytko Valerian Afansievich, Corresponding Member of the Russian Academy of Sciences, S.I. Vavilov Institute of History of Natural Sciences and Technics, Russian Academy of Sciences.  
Kharitonova Tatiana Igorevna, Associate Professor, LMSU, Faculty of Geography.  
Khoroshev Aleksandr Vladimirovich, Associate Professor, LMSU, Faculty of Geography.
