

NAWI Graz – A strategic cooperation between the University of Graz and Graz University of Technology in the natural sciences

With currently 18 joint studies and many jointly implemented research and infrastructure projects, NAWI Graz has become the best practice model of Austrian interuniversity cooperation projects over the last few years. Part of NAWI Graz, the Graz Advanced School of Science (GASS) trains highly qualified doctoral candidates.

The Institute of Earth Sciences is looking for a

Lecturer

(40 hours a week; fixed-term employment for the period of 6 years with an objective agreement; position to be filled as of now)

Career objective: Permanent employment as Senior Lecturer.

Your duties

- Teaching within the Bachelor and Master programme in Geosciences (10 hours per week and semester in average)
- Co-supervising of the core facility "NAWI Graz Central Lab for Water, Minerals and Rocks" (clean lab, Laser-Ablation ICP-MS/MC-ICPMS)
- Third-party funded research and publishing activities in one or several of the following fields: geochronology, isotope geology- and geochemistry
- Supervision of students
- Participation in organisational and administrative tasks

Your profile

- Doctorate or PhD in the fields of petrology, geochemistry, geology, or a related field
- Proof of appropriate didactic qualification
- Scientific publication record in the fields of geochronology, isotope geology- and geochemistry and analytics
- Knowledge in geochronology and isotope analytical techniques
- Knowledge in the analysis of main and trace elements in minerals and rocks (ICPMS; X-ray fluorescence desirable)
- Knowledge in the maintenance of a clean lab and mass spectrometer
- Knowledge in application and superintendence of third-party funded projects (desirable)

Our offer

Classification

Salary scheme of the Universitäten-KV (University Collective Agreement): B1

Minimum salary

The minimum salary as stated in the collective agreement and according to the classification scheme is EUR 3711.10 gross/month. This minimum salary may be higher due to previous employment periods eligible for inclusion and other earnings and remunerations.

We offer you a job with a lot of responsibility and variety. You can expect an enjoyable work climate, flexible work hours and numerous possibilities for further education and personal development. Take advantage of the chance to enter into a challenging work environment full of team spirit and enthusiasm for your job.

Application Deadline: **June 6th 2018**
Reference Number: **MB/47/99 ex 2017/18**

The University of Graz strives to increase the proportion of women in particular in management and faculty positions and therefore encourages qualified women to apply.

Especially with regard to academic staff, we welcome applications from persons with disabilities who meet the requirements of the advertised position.

If you are interested, please submit your application documents within the stated deadline. Make sure to indicate the reference number on your application and please send your CV and photo to:
